

SOMERSET HISTORICAL SOCIETY PRESENTS

Sophie Hodorowicz Knab

Author of ***Wearing The Letter 'P'***

*Born in a Displaced Person's camp in Germany after WWII, her parents were among the millions of Poles who had been taken from Poland and made to work in Germany as forced laborers. Knab's book, **Wearing the Letter 'P'** vividly describes the terrible, heartbreaking ordeal hundreds of thousands of Polish women suffered. She combines scholarly research and first person accounts from historical documents to reveal this atrocity.*
